For All Parents/Guardians:

Illinois State Law requires written permission by a parent/guardian and licensed healthcare provider for administration of ANY medication at school, including over-the-counter medications. This form will be kept on file in the Health Office/Nurse's Office and will be valid until the end of the current school year. By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the Kell Grade School and its employees, in my behalf, to administer or attempt to administer the medication to my child (or allow my child to self-administer, while under the supervision manner described above.) **I acknowledge that it may be necessary for the administration of medication to my child to be performed by an individual other than a school nurse and specifically consent to such practices,** and I agree to indemnify and hold harmless the Kell Grade School and its employees against any claims, except for willful and wanton conduct, arising out of the administration or child's self-administration of medication. I also consent to school health staff exchanging information, both verbal and written, with regard to my child's medications and conditions with the prescribing provider listed above.
