For parents/guardians of students who carry and self-medicate inhaler or an Epinephrine auto-injector.

I authorize the Kell Grade School and its employees to allow my child or ward to possess and use his/her asthma medication and/or epinephrine auto-injector: (1) while in school, (2) while at a school sponsored activity, (3) while under the supervision of school personnel, or (4) before-school or after-school care on school-operated property. Illinois law requires the Kell Grade School to inform parent(s) / guardian(s) that it, and its employees, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector (105 ILCS 5/22-30).

If you agree please initial: _____

For All Parents/Guardians:

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the Kell Grade School and its employees, in my behalf, to administer or attempt to administer the medication to my child (or allow my child to self-administer, while under the supervision manner described above.) **I acknowledge that it may be necessary for the administration of medication to my child to be performed by an individual other than a school nurse and specifically consent to such practices**, and I agree to indemnify and hold harmless the Kell Grade School and its employees against any claims, except for willful and wanton conduct, arising out of the administration or child's self-administration of medication. I also consent to school health staff exchanging information, both verbal and written, with regard to my child's medications and conditions with the prescribing provider listed above.
