Instruction

Administrative Procedure - Teaching About Religions

The following are guidelines for teaching about religions:

1. Instruction must be age-appropriate to ensure that students will not believe the District is sponsoring religion.
2. Instruction may expose students to religious views, but may not impose any particular views.
3. Instruction must be informational, not indoctrination.
4. Instruction must be academic, not devotional.
5. Instruction may study what people believe, but may not teach a student what to believe.
6. Instruction should include a variety of religions, but should not press for student acceptance of any one religion.

Within the parameters of the academic study of religion, teachers may display objects, artifacts, and symbols that illustrate a variety of religious customs, beliefs, and expressions. Any classroom and school display presented as a part of religious studies or holiday activities must meet the following criteria:

1. The display will be exhibited on a temporary basis.
2. The display will be constructed in a manner that presents no endorsement, favoritism, or promotion of a single religion or religious belief.
3. The display will include non-secular as well as secular symbols.
4. The display will include appropriate descriptive labels attached to the symbols.

Individual student participation in the preparation of a religious study display or a religious holiday display is strictly voluntary. If the display is a class activity, any student who wishes not to participate must be given an alternative assignment.

Instruction

Teaching About Controversial Issues ¹

The Superintendent shall ensure that all school-sponsored presentations and discussions of controversial or sensitive topics in the instructional program, including those made by guest speakers, are:

- Age-appropriate. Proper decorum, considering the students' ages, should be followed.
- Consistent with the curriculum and serve an educational purpose. ²
- Informative and present a balanced view.
- Respectful of the rights and opinions of everyone. Emotional criticisms and hurtful sarcasm should be avoided.
- Not tolerant of profanity or slander.

The District specifically reserves its right to stop any school-sponsored activity that it determines violates this policy, is harmful to the District or the students, or violates State or federal law.

Further, the District will not knowingly enter into agreements with any entity or any individual that discriminates against students on the basis of sex or any other protected status, except that the District remains viewpoint neutral when granting access to school facilities under School Board policy 8:20, *Community Use of School Facilities*. Any student may file a discrimination grievance by using Board policy 2:260, *Uniform Grievance Procedure*.

No student shall, based on sex, sexual orientation, or gender identity be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student may file a sex equity complaint by using Board policy 2:260, *Uniform Grievance Procedure*. A student may appeal the Board's resolution of the complaint to the Regional Superintendent (pursuant to 105 ILCS 5/3-10) and, thereafter, to the State Superintendent of Education (pursuant to 105 ILCS 5/2-3.8).

The Superintendent shall appoint a Nondiscrimination Coordinator, who also serves as the District's Title IX Coordinator. The Superintendent and Building Principal shall use reasonable measures to inform staff members and students of this policy and related grievance procedures.

The District will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, sexual, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Sexual Harassment Prohibited

The District shall provide an educational environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. See policies 2:265, *Title IX Sexual Harassment Grievance Procedure*, and 2:260, *Uniform Grievance Procedure*.

Reports under this policy will be considered a report under Board policy 2:260, *Uniform Grievance Procedure*, and/or Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*. The Nondiscrimination Coordinator and/or Complaint Manager shall process and review the report according to the appropriate grievance procedure. Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Nondiscrimination Coordinator or designee shall consider whether action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any other alleged student harassment that does not require action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or policy 2:260, *Uniform Grievance Procedure*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see policies 2:260, *Uniform Grievance Procedure*, and 2:265, *Title IX Sexual Harassment Grievance Procedure*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is **prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

4. Consistent with federal and State laws and rules governing student privacy rights, the Superintendent or designee shall promptly inform the parent(s)/guardian(s) of every student involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
 - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
 - c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
 - d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building Principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying is prohibited. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.
11. Pursuant to State law and policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Superintendent or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;
 - d. The types of bullying utilized; and
 - e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the District already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:

- 1) An updated version of the policy with the amendment/modification date included in the reference portion of the policy;
- 2) If no revisions are deemed necessary, a copy of board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary; or
- 3) A signed statement from the Board President indicating that the Board re-evaluated the policy and no changes to it were necessary.

The Superintendent or designee must post the information developed as a result of the policy re-evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians,

and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

12. The Superintendent or designee shall fully implement the Board policies, including without limitation, the following:
 - a. 2:260, *Uniform Grievance Procedure*. A student may use this policy to complain about bullying.
 - b. 2:265, *Title IX Sexual Harassment Grievance Procedure*. Any person may use this policy to complain about sexual harassment in violation of Title IX of the Education Amendments of 1972.
 - c. 6:60, *Curriculum Content*. Bullying prevention and character instruction is provided in all grades in accordance with State law.
 - d. 6:65, *Student Social and Emotional Development*. Student social and emotional development is incorporated into the District's educational program as required by State law.
 - e. 6:235, *Access to Electronic Networks*. This policy states that the use of the District's electronic networks is limited to: (1) support of education and/or research, or (2) a legitimate business use.
 - f. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).
 - g. 7:185, *Teen Dating Violence Prohibited*. This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.
 - h. 7:190, *Student Behavior*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
 - i. 7:310, *Restrictions on Publications; Elementary Schools*, and 7:315, *Restrictions on Publications; High Schools*. These policies prohibit students from and provide consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.
